

Mrs. Shoemaker's Kindergarten Class

November

class newsletter

With a short week, we focused our literacy time to whole group activities instead of centers. This week we worked in writer's workshop to write about things they see, eat, and like about Thanksgiving. We worked through the brainstorming process and will put our ideas together next week. In math we are focusing on building teen numbers using ten frames, objects, and other visual representations.

In social studies we are learning about jobs and how these jobs are helpful in our community.

Thank you to all the parents who helped make Mrs. Gremaux's birthday a special day. We are so lucky to have her in our classroom to help us learn and play!

Our class Christmas program will be December 20th at 1:30 PM with some time afterwards for pictures. It is a great opportunity to come see your student perform!

Important Dates:

- **11/20:** Picture Retakes
- **11/20:** VALOR meeting at 6:45 pm
- **11/21:** Prayer Service in the Convent Chapel at 9:35 am
- **11/21:** Dismissal at 11:30 am
- **11/22-11/23:** No School: Thanksgiving Break
