Weekly Newsletter

Mrs. Shoemaker & Mrs. Gremaux

September 2018

This week we started learning about the different seasons, explored how our environment is changing, and went on a nature walk to find evidence of fall. In social studies we discussed what it means to be a good citizen and how we can be a citizen that participates in our community. In language arts we worked with the letters A,B,C,D and E, read various nursery rhymes and identified rhyming words, and continued to work on literacy center rotations. In math we worked on showing how many with numbers 1-5. We learned how to use objects, draw pictures, and write numbers to show how many.

Next week we will continue to look at nursery rhymes and will work with the letters F, G, H, I, and J. We will continue to learn about the seasons, how to dress for the seasons, and how our activities change with each season. In math next week will think about greater and less than with numbers 1-5.

Next Monday you will see an e-mail from Sign-Up-Genius. This is the tool we use to sign up for volunteering in the classroom. Spots will go quick, and if you don't get one this month please know there will be plenty of opportunities to come!

Scholastic orders that were placed online have been submitted. When the books arrive we will put them in your child's backpack!

Permission slips for our field trip next Thursday will be in your child's Friday folder. These are due on Monday!

Upcoming Events:

- **10/3:** Prayer Service at 9:35 AM in the Convent Chapel
- **10/4:** Field Trip to Lee Farms
- **10/5:** Jog-a-thon
