

**Here's What's Been Going on (and will continue next week) in 1S!
Weeks of November 12-16, 2018 &
November 19-23, 2018**

Religion/Social Studies/Language Arts

Thanksgiving has been the focus in all of the above areas. Students have been working hard on practicing for the play and learning a couple of songs to accompany it. They are reflecting on their blessings in conversation and writing.

The Sunday Gospel reading was shared and the biblical account of "the thankful man" will be reflected on next week.

Second step has a lesson about taking responsibility when things happen as an accident.

Math

Thanksgiving has been our theme as we have been reviewing addition and subtraction skills. Students also worked with the concept of even and odd numbers. Ask your child about Touchdown Turkeys!

Science

Students were asked to think of a favorite animal that they would like to learn more about. They will begin using books to perform basic research about their animal in the near future.

Art

Headpieces are being made for our Thanksgiving play.

There was no Student of the Week due to the short weeks. We will continue with the Student of the Week program after Thanksgiving.

Happy Birthday to Lexi, Noa and Vibha!

Thanksgiving Play!

I can't thank you enough for helping your child practice his/her speaking part for our upcoming play. The kids have been doing a wonderful job practicing their parts at school and we are all very excited to share our rendition of the 1st Thanksgiving with you on Tuesday, November 20th at 8:30 AM in the school cafeteria. IF FOR SOME REASON YOU KNOW YOUR CHILD WILL NOT BE AT SCHOOL THAT DAY PLEASE LET ME KNOW AS SOON AS POSSIBLE so adjustments can be made to the script. If you are unable to come due to work, please do let grandparents and special friends know they are welcome too. It would be wonderful if all students could have at least one special guest. The time commitment would be from 8:30-approximately 9:00. Please let me know if you have any questions.

Shoe Boxes Still Needed!

I am so thankful to those of you who have generously brought in adult size shoe boxes. We are desperately in need of more. If you have any laying around that you would be willing to part with, please let me know. Thank you SOOO much!

Have a wonderful weekend and a very Happy Thanksgiving!

I appreciate all you do in support of first grade.

Your children are truly blessings.
