WHAT WE ARE LEARNING

- * **Math** – We have looked at shapes and started our beginning of the year assessments!
- * **Reading** – Students are reading the rules, Jack Has Talents, and Back to school. We have also started individual assessments.
- * **Writing** – We have wrote about what makes us special and written a short paper on our first day of school.
- * **Science** – Hand washing and why it is important!
- * **Social Studies** – We created classroom rules that hang at the end of the cubbies and have learned about the Student of the week!
- * **Religion** – Daily prayer, All schools mass on Friday and conversations on how to let Kindness begin with me!

HOMEWORK

Students should be practicing tucking in their shirts!

Homework will start officially after back to school night.

We would love to see every student start reading for 10 minutes a night.

Friday Folders came home with your student. Please be sure to put them back in their backpacks to be returned on Monday!

NOTES FROM THE TEACHER
